

Hello, campers! Come on in!
This is where the games begin.

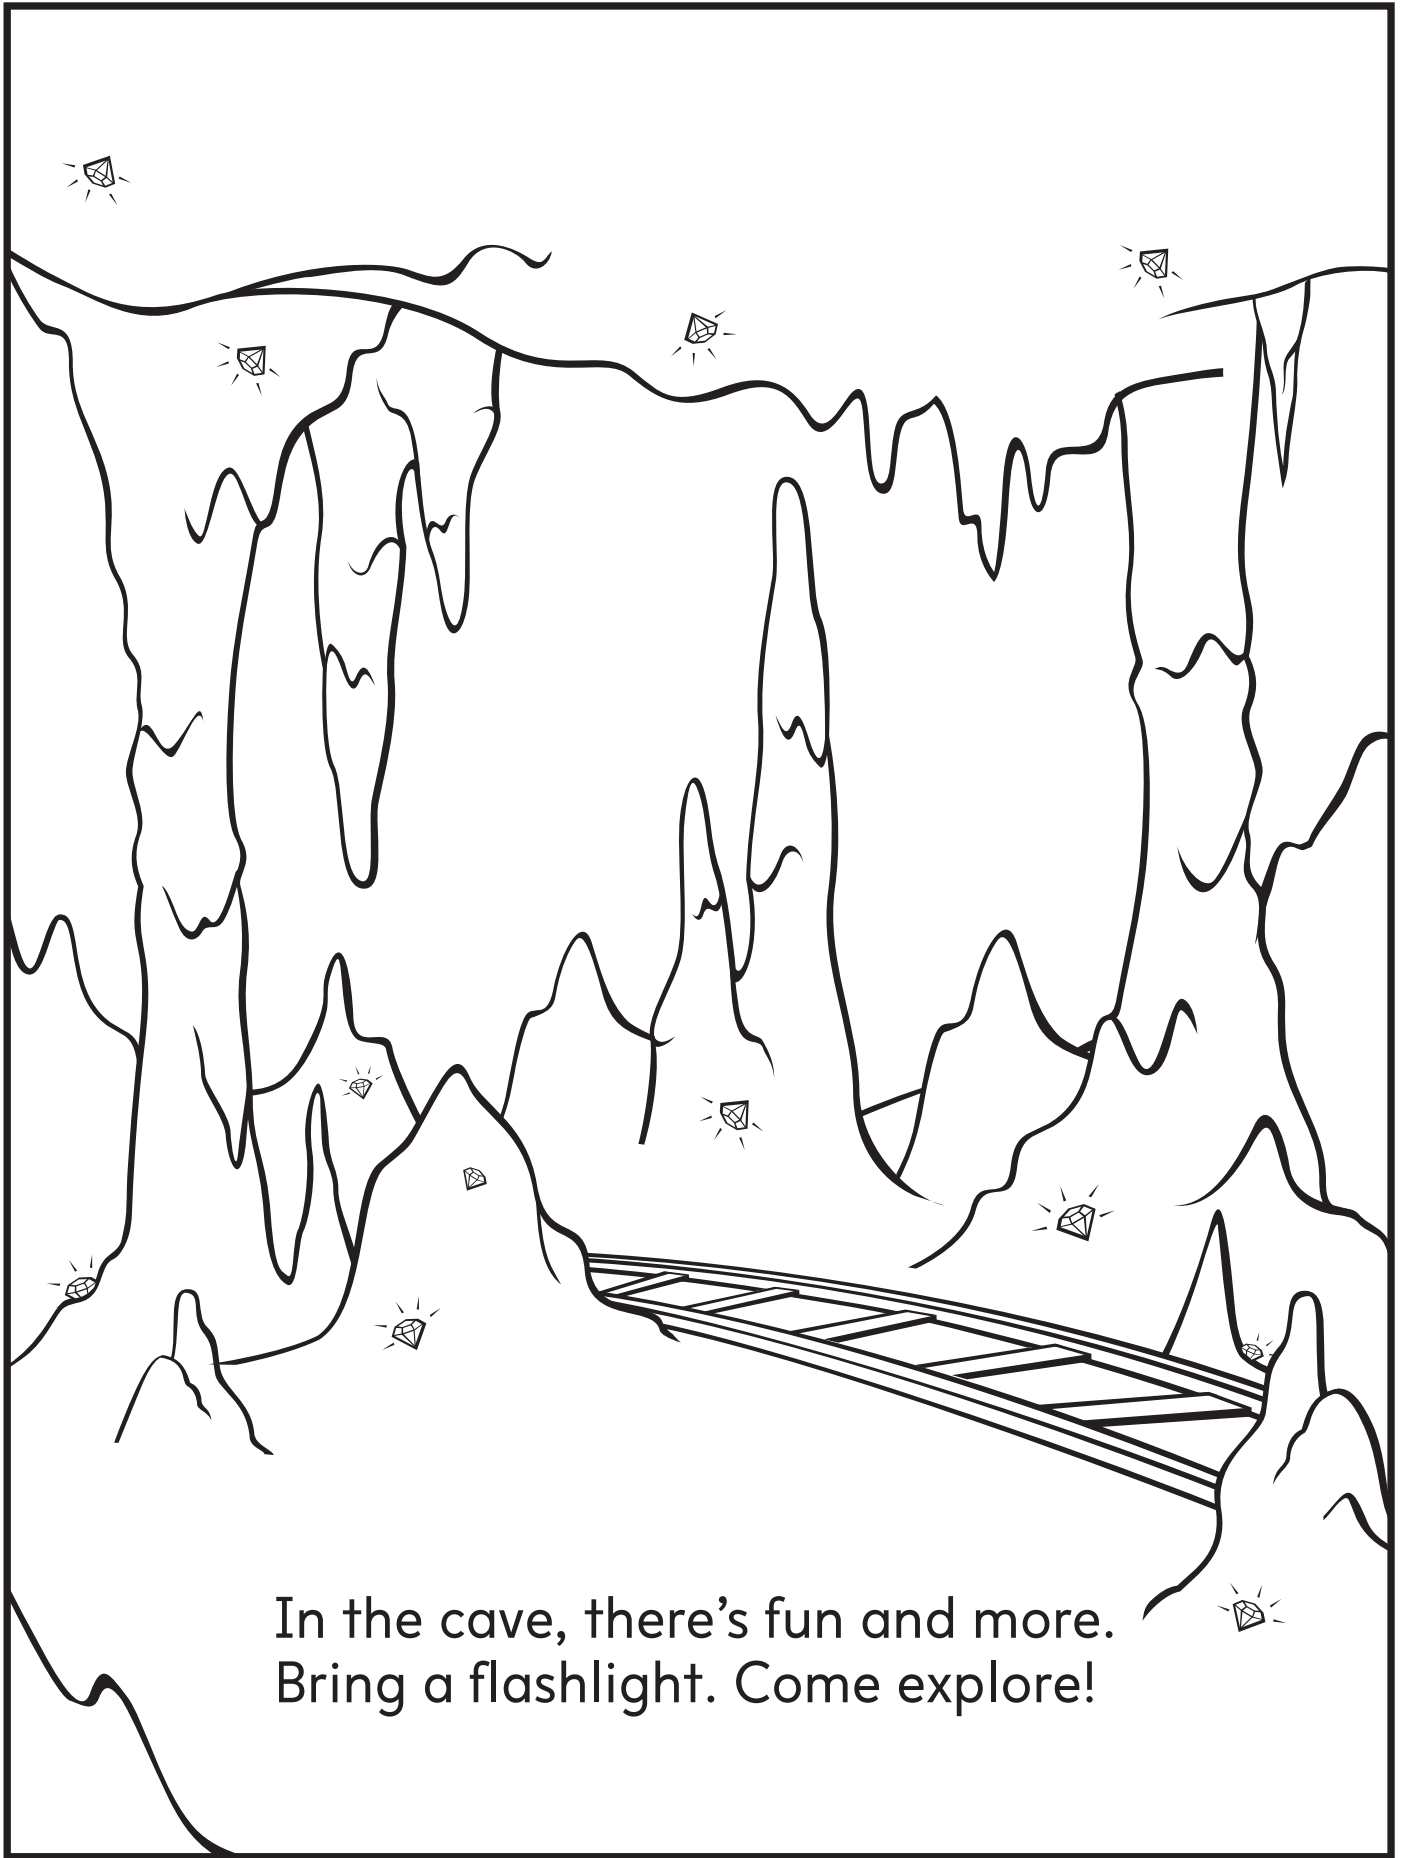

If you're brave and steady too,
Power Words Peak is quite a view!

High above the forest wide,
Stands the treehouse. Come inside!

Fish and frogs swim in the pond.
Birds chirp in the trees beyond.

In the cave, there's fun and more.
Bring a flashlight. Come explore!

Great work, campers. Nicely done.
We hope that you had lots of fun!
