

Picture Talk

1. Look at the picture with a partner.
2. Take turns asking and answering questions about the picture. Try these questions or make up your own.
 - What do you see in the picture?
 - What time of year might it be?
 - What do you like about the picture?
 - Where do you think the boy and the dog are going?
 - How do you think the boy is feeling?

As you talk, try to use descriptive words. For example, “The young boy is concerned about his small dog.”

3. Next, tell a story about the picture. One partner starts by saying a sentence. (For example, “One day a boy and his dog went on an adventure.”) Then the other partner adds a sentence. Take turns adding sentences until your story is finished. You can do this with any picture!
