

Blending Bingo

Consonant-Vowel-Consonant (CVC) Words

**BINGO
CARDS**

ACTIVITY INSTRUCTIONS

What You'll Need

- Blending Bingo CVC cards
- Blending Bingo CVC calling cards
- Tokens or markers

Getting Ready

- Print one set of the Bingo calling cards, and print enough Bingo cards for everyone playing.
- Gather markers or tokens.
- Cut out the Bingo cards and calling cards.

How to Play

1. Pick a calling card, and read it aloud. Say the word slowly, breaking it into separate sounds (for example, /c/ /ă/ /t/ for *cat*).
2. Ask the players to listen closely and blend the sounds together to figure out the word.
3. If a player has the matching picture on their card, they say the word aloud quietly and put a marker on that picture.
4. Repeat with more calling cards.
5. The first player to cover a row, column, or diagonal with markers on their Bingo card shouts "Bingo!"
6. The caller checks the winning card by confirming that the marked pictures match the words that were called out.

Knowledge Builder

A CVC word is a simple, three-letter word that follows the pattern of consonant-vowel-consonant. Each letter represents a distinct sound, and the vowel in the middle is typically a "short" vowel sound.
