

# Word Mapping

PREK-1ST GRADE

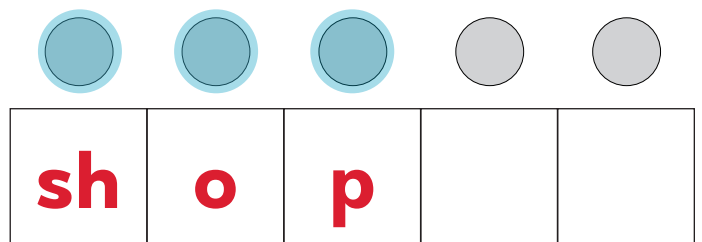

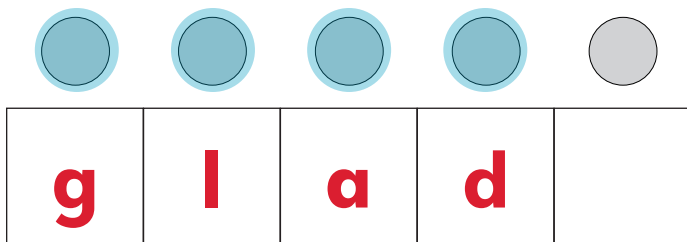

LITERACY

## Instructions:

1. Select a word from the attached *Words with Blends and Digraphs* page (or choose your own word) to practice.
2. Have the students do the following steps for each word:
  - Say the word aloud.
  - Mark the sounds you hear by using the dots on the *Map the Word* worksheet by pointing to, coloring, placing chips on, etc.
  - Use the box beneath each dot to write the letter or letters that spell each sound.
  - Blend the word together as you say it aloud.
  - Write the word on the line as you say each sound.

**Note:** Remind students that each letter in a blend has its own box and the two letters in a digraph are written in the same box.

Show the students these mapped words as examples.

# Words with Blends and Digraphs

## Beginning Consonant Blends

brag	crib	flat	glad	plug	sled
